I do not know the exact venues of these appearances, so you will have to make your own enquiries about this.

This year the boys are having two weeks holiday at Christmas, commencing December 18th and the first three weeks of January will be taken with the recording of yet another L.P.

They will have a new L.P. released at the end of October called "Give me England" after their current single. They recorded this as the theme song for the film "Confessions from a Holiday Camp", which is currently doing the rounds.

As this Newsletter covers dates up to the New Year, my next one will (I hope!) contain all the important information about our heroes themselves.

Once again, can I beg you not to write to me personally with questions etc. Much as I would love to answer all your letters, it is absolutely impossible now that we have so many members. For those of you who have not yet acquired one, please don't forget that an s.a.e., approximately 6½" x 10½" will bring you a coloured, personally signed photograph of the WURZELS.

My regards to you all,

Mary
