Unfortunately, the trip to Canada has had to be postponed, but a larger tour is hoped for, in the Spring of next year.

Our Fan Club badges are soon to be produced, but I fear that I will have to make a charge for these, as Club funds are still very low. I am very sorry about this, and it will only be a nominal fee, however, you will be receiving a free car sticker very soon.

My very best regards to you all, as always,

Mary Witten.

Now for our Competition.

For this, our first experimental Competition, we want you to get your thinking caps on in the world of Art. Look at the titles, and listen to the words on the WURZELS' latest L.P. "Give Me England". Then, using any media you wish, (paint, pencil, crayon, charcoal, coloured paper - the list of possibilities is very long,), we would like you to do an illustration of one of those titles.

Write the title of your choice on the back of your picture, plus your FULL name, Age, and FULL address, then send your entries to me:-

Mary L. Witten,
6a, Marina Buildings,
Stoke Road,
Gosport,
Hants.
PO12 1NZ.

The closing date is AUGUST 31st. 1978.

Your entries will be judged by the WURZELS and their Manager, in three age groups :- Up to eleven years, twelve to fifteen years, and sixteen years and upwards.

In each age range the winners will receive TWO FREE TICKETS to a WURZEL concert nearest to where they live. They will then meet the WURZELS, and have a photograph taken, being congratulated by our heroes. After this, the photograph will be printed, personally autographed by Pete, Tommy and Tony, framed, and sent to our three lucky winners.

So there you are folks ;--even if you don't feel that you are very artistic, have a go, you never know your luck !.

All the best,
Mary Witten.
