May 1979

Hello Everyone,

Enclosed is a list of engagements already arranged for The Wurzels this summer. In between these dates The Wurzels will be filming three half-hour programmes for B.B.C. Television. As you will see on the list they go to Grampian Television Studios at the end of June to make a T.V. show called "The Entertainers" when they perform the whole 30 minute programme. It will be transmitted in Scotland and Yorkshire only, at a date in the future to be arranged.

They have again been booked to appear on Seaside Special which will be filmed on the Isle of Man.

Last week they spent two days at Weston-super-Mare filming a song they specially wrote for "That's Life" called the "Seaside Song". It should be televised this Bank Holiday Monday, May 28th on B.B.C. T.V.

As you may know, The Wurzels are all keen sailing enthusiasts. Pete is having a new boat built and it should be completed in August.

When The Wurzels go to Canada in August, negotiations are in hand for them to fly in to the U.S.A. and perform a show at the Shakespeare Theatre about 40 miles outside of New York.

Tony would like to thankeveryone who sent him cards and presents for his Birthday (Friday 25th).

Coming soon is The Wurzels own Radio series. It would be nice for them to have their own T.V. series and it would help if you can pester your local T.V. station asking them why they don't give The Wurzels their own series.

A new single should be released in the coming weeks and we will keep you informed of any news in this respect.
