August Newsletter 1980

Hello once again,

Peter and Tom have asked me to thank you all for the lovely cards they received on their respective birthdays.

Peter's boat ran aground one day in June with Tom and Tony also aboard. They did not know if they were going to make it in time for the shows, but eventually did when the tide came in.

Whilst at Torquay, the boys have been opening numerous charity shows, and also playing in many charity golf, football and cricket matches.

Last month The WURZELS appeared in HTV's "Taste of Wine" programme. It was only screened for HTV viewers and was part of the Wine Festival.

The "Big Top Show" will be screened on ITV in mid-August (date not known), and will star The WURZELS, Gladys Knight & The Pips, The Crankies, Bernie Winters and Shnorbitz.

The "Iris Williams Show" was cancelled due to the musicians' strike.

After the Torquay summer season, the boys will be going on holiday with their respective wives and girlfriend until the end of October.

"I Hate JR" is selling well in South Africa and is due to become a hit there. The same record is also the most requested song on "Junior Choice".

Below is two dates to be going on with:

29th. October -- Sandown Pavillion, Isle of Wight.

31st. October - 1st. November -- Chesford Grange, Kenilworth, Warwicks.

That's all the news for now, and I look forward to hearing from you in the near future.

Yours Wurzelly,

Susie.
