OCTOBER 1980

Hello everyone,

Last year, the club arranged for members to purchase copies of "The Combine Harvester" plated in 24ct pure gold, and suitably framed for wall mounting or for free-standing on a dressing table, television etc.

Members who bought them were really delighted with the beauty and exclusivity of such an unique memento of our favourites.

In response to demand the club has commissioned a limited number of plated copies of The Wurzels "A" side on their new JM label - "I Hate JR".

To obtain one of these especial collectors items, send a cheque or P.O. to the value of £19.50 to George Williams, Woodside, Blackpool, Dartmouth, Devon, TQ6 OPL.

Despatch will be within 28 days of receipt of order.

WURZEL NEWS

Recently I had the privilege to listen to a tape of the boys' new single, "If you've got nothing on tonight". It is written and produced by Roger Greenaway and Geoff Stephens and will be released on October 17th. The number is JM1004 and is distributed by PYE records. It is not a "Wurzelly" song but is very beautiful. If you could all write in to Junior Choice; Ed Stewart's Request Show etc and ask for it to be played the boys will be most grateful.

I have on sale a limited number of "Give Me England" cassettes at £2.50 each which includes postage & packing. If you would like one, send me an UNcrossed postal order only for the correct amount. (Being UNcrossed it will help me to deal with your order more quickly).

The boys will be away on holiday until October 19th. Tony has gone to Corsica with his girlfriend, Lynn. Tommy has gone to New York and Los Angeles with Jeanette, and Peter is at Teignmouth, Devon with his family (fishing of course!).

In either March or April 1981 the boys are going to do a coast to coast tour of Canada.

The Royal Gala Show on December 1st will be attended by H.R.H. Princess Anne.

That's all the news I have for the moment. Best wishes.

Yours Wurzelly,

Susie.
