ARRIL 1981

Hello everyone,

If anyone who has recently joined has not received their new membership card with a new number please contact me immediately.

If you would like to send Tony a birthday card please send them to me enclosing a separate stamp so I can forward them to him. Birthday cards must reach me by May 18th. (no later please).

Fan club badges are now on sale at 50p each. Please enclose a stamp to cover the return postage or badges cannot be sent out.

Some members have been asking for previous newsletters. The ones available are December 1979, February, April, June (Peter's factsheet), August, October, December 1980, and February 1981 (Tommy's factsheet). They are 50p per copy. Cash or uncrossed postal orders (made payable to me) only please, and do not forget to enclose the appropriate stamp to cover the return postage.

The boys were at the Ideal Homes Exhibition, London on March 30th. signing autographs at the P.M.I. stand.

Tommy will be going into hospital for an operation on his nose. The history of this is as follows. Many years ago, Tommy was involved in a car accident and at that time doctors said he was O.K. But recently, Tommy found out that he had broken his nose in the accident and now has a little trouble breathing. No date has been fixed for his admission.

Tommy will be going to Tenerife with his wife, Jeanette for his June holiday. Where Tony and Lynne and Peter and Christine will be going is unknown at the moment.

There are no plans for another single at the time of writing, but the L.P. is being recorded. News of that later on.

Best wishes and Happy Easter to you all.

Yours Wurzelly,

Susie.
