FEBRUARY 1981

Hi there!

There is no summer season this year, but the boys will be appearing at The Royal Show at Kenilworth. They are also doing a promotion with the Cheese Council and the English Tourist Board to promote English cheese.

The Wurzels are recording 2 T.V. shows for BBC West in April which will be screened at the beginning of May.

Silk scarves are being sold exclusively within the club. They are white with blue words and fringe, and maggot-ridden apples flanking the words - "The Wurzels". They are £3.00 each (which includes postage & packing). Allow 28 days for delivery and uncrossed postal orders only please. (Overseas members excepted).
