October 1981

Hi everyone!

There has been a disappointing response to "Harvest" by members; but to those who took the trouble to write, I say a big thank-you.

Will members who own a fan club badge please wear them to Wurzel shows as the boys would like to chat to members especially, but do not know who you are unless the badge is worn.

At the time of writing, there is no news of Tommy's operation.

The appearance at International on October 1st. is for signing autographs. The Wurzels will be there at 6.30 p.m.

The boys are recording an extra 2 tracks for their forthcoming L.P.

The Wurzels will possibly be recording a radio commercial for Shell; but it is not confirmed yet.

The Canadian trip has not yet been confirmed.
