April 1982

Hello again,

When renewing memberships, please keep the same membership card as they are expensive to have produced, so cannot be replaced unless genuinely lost. If sending cheques, postal orders, etc., to the club and you would like a receipt, please say so when writing and also enclose a stamped-self-addressed-envelope (S.S.A.E.).

If you would like to send Tony a birthday card, please send it to the above address no later than Tuesday, 18th. May. Please enclose a loose stamp so the card can be forwarded onto him.

As no one won the 'German Record Competition' as the record will be held over for a future competition. The answers are as follows: Tony - approx. 30 feet; Peter - Jasper Carrott, because he comes from Birmingham; Tommy - Bill Pinnell. You can't blame me for this one!!!

A medley of 'One for the Bristol City', which was released in 1977, was played on Granada T.V.'s 'World in Action' on Monday, 15th. February. The programme was discussing the financial situation of Bristol City Football Club, and others.

A new single was released on Friday, 12th. March, entitled 'The Coughin' Song'. The 'b' side, 'Shovel it Here' was composed by Tony and Tom. The record number is JM1009 and is distributed by Pye Records. There is still no release date for the L.P.

On sale are ballpoint pens (red with 'The Wurzels O.F.C.' in silver on the barrel) at 25p each plus 20p in stamps for postage and packing. If you would like one (or more) please write to the fan club address, stating how many are required, and enclosing your name and address.
