December 1982

MERRY CHRISTMAS EVERYONE,

If you wish to send the boys Christmas cards, send 3 separate cards in their own envelopes (enclosing 3 loose stamps for postage onto the boys), then put the enveloped cards into another envelope and send them to the above address no later than December 15th.

I'm sad to say that not many members seem to want to write letters and have them published in 'Harvest'. Surely you have some stories to tell of The Wurzels -amusing or otherwise. If so, please send them to me by January. Thank you to everyone who has written to me.

The boys have had to re-record 2 songs with Lee Sheridan (Brotherhood of Man) for the L.P., so it will not be released just yet. Sorry for the delay.

The Wurzels are promoting their own summer season show at Babbacombe, South Devon, next year, and will run for 20 weeks from May to the beginning of October. Support acts are not finalised yet, but Jerry Thomas (comedian) is being considered.

In November, the boys offered a barrel of cider to the person who gave the most money to the 'Children In Need' campaign. The event was held at the Bristol T.V. studios and the highest amount of money donated was £1000.

## DATES

January 21st. -- Whitehaven Civic Hall, Cumbria.

This is the only date that the boys have booked for the beginning of next year. If you wish to obtain dates of venues that may arise from now until the next newsletter, please send a stamped-addressed-envelope to the fan club address.

It only leaves me now to wish you all a very Merry Christmas and Happy New Year from Peter, Tony, Tommy and myself.

Yours Wurzelly,

*Susie*

Merry  
Christmas
