DECEMBER 1983

Merry Christmas everyone!

If you would like to send The Wurzels a Christmas card, (one each please) please send them to the above address no later than December 14th. Please enclose 3 stamps so I can forward them to the boys.

If you wish to attend the shows on December 19-20, you can obtain tickets by telephoning the box office on Bristol 743384. Both shows start at 7.30 p.m.

Recently, members have not been receiving newsletters, etc. I can only suppose the letters have been lost. If you do miss an issue please contact me immediately.

More letters and photographs (black and white) are needed for 'Harvest' (if we are going to carry on with it). I have enough poems at the moment, thank you. You can write about anything on the subject of The Wurzels; perhaps you have an amusing incident to tell from one of the shows you attended.

That's all the news there is for this year. Have a merry Christmas and a good New Year.

Yours Wurzelly,
