AND THE
WURZELS

HOW THE WEST WAS WURZEL'D

Hello Folks,

I would like to say thanks to all of you for supporting us in such a big way, especially to all those of you who have bought our records. As you may know, "Drink up thy Zider" sold over 50,000 and entered the National Charts, "Wonder how many bought it for the B side?" Our E.P. released on February 1st and our L.P. released on March 1st, have both I am pleased to say, had tremendous receptions.

Since we formed back in July, 1966, we have played all over the country, spreading the Sound of Wurzels as far as Manchester, Nottingham, Aberystwyth, Blackpool, London and other foreign parts and they all seem to like us. We have lots of things lined up in the future and I hope to see you all the next time round. So roar it up with the Wurzels and

Drink up thy Zider

Adge.

DRINK UP THY ZIDER

Chorus:

Drink up thy Zider,
Drink up thy Zider,
Vor, tonight we'll merry be.
We've knocked the milk churns over
An' rolled em in the clover;
The corns half cut and so be we.
