RON MARTIN

ADGE CUTLER & THE WURZELS

**Ron Martin**

Fast becoming one of the South's busiest and most popular comedians is Ron Martin. Yorkshire born, Ron first ventured on to the stage at the age of eight. The early stages of his professional career in Show business were spent in the North of England where he became very well established in theatres and cabaret clubs alike.

Summer season 1969 first brought Ron to Bournemouth, and the immense success of the season brought offers of work flooding in from all over the South coast. Encouraged by this Ron decided to move his family to Bournemouth and make the town his permanent base — a decision he has never regretted.

Ron also has a secret love for a completely different field of the business, that of children's entertaining. Indeed for a couple of seasons he did entertain audiences of up to a thousand youngsters each day, presenting seven complete one hour solo shows each week. To add to his string of successes in children's entertainment he is now signed to appear with Harry Corbett, Sooty and Sweep on their next Thames T.V. series later this year, he has had connections with this show in the past including a season in the West End of London and an extensive tour of all the major theatres in this country.
